LAURON RED ANGUS

BULL & FEMALE SALE

Offering **61 BULLS
& Open Females**

*Garilyn, Charlotte,
Rhett, Emmett & Jared* *Alex & Travis* *Ron & Laurie* *Ryan*

WELCOME TO OUR 35TH ANNUAL BULL AND FEMALE SALE 2025!

What an exciting time to be in the cattle business with record breaking prices across the board. We applaud all of those people "in the trenches" in this industry who have endured the BSE years, droughts, blizzards, rising inflation etc. to savor their rewards. We also wish to thank and appreciate everyone who has supported our program over the years, behind the scenes and sale day. We continue to strive to put forth a valuable commodity of genetics that will work for you as they do for us.

We raise the cattle on nature pasture without creep, cull vigorously for calving ease, performance, maternal strength, structural soundness, and eye appeal. The bulls are wintered on a forage ration consisting of silage, chopped hay, rolled oats and a custom formulated bull supplement to ensure longevity and expression of growth. The bulls are ready and eager to cover some ground and cover some cows. By sale day they will have received Fusogard vaccine for footrot and passed a semen test, no deferred bulls offered. Scrotal measurements and updated weights will be available closer to sale day. There are a good selection of performance herd sires or some calving ease options for the heifers, all fully backed to your satisfaction. The open heifers are representative of our cowherd, with tried and true pedigrees that work in the real world. Commercial heifers are home raised or selected from Ric & Linda Arthurs, all wintered together and will be palpated to ensure breeding soundness.

Once again, we are having a video sale at the farm, bulls will be displayed outside the sale barn. Visit with us anytime prior to sale day to tour the pens or cow herd, or contact sales management to help with your bull/female purchasing needs. Check out the videos closer to sale day on DLMS or our website www.lauronredangus.com. Directions to the farm are 5 miles east of the Didsbury overpass on Highway 582, north side of the road. Bulls can remain at the farm free of charge until May 1, any animals staying must be insured and Cheryl Brown with Stockman's Insurance will be available sale day. If you choose to take your purchases home sale day or within a week of the sale, receive \$100 per lot off purchase price. Delivery can be arranged and will commence 2 weeks after the sale so please leave complete instructions at the settle up desk at the conclusion of the sale.

Please join us for lunch with Kodiak BBQ and stay for some post sale hospitality. We look forward to seeing you all sale day!

EPD'S

Expected Progeny Differences - EPDs are one tool to help in selecting decisions that compare an animal to his contemporary group, the numbers will change as the more data is collected and will increase the accuracy.

CE Basically predicts the percentage of unassisted births, the higher the number the higher unassisted births
BW Predicts the difference in average birth weight compared to breed average (expressed in lbs.)
WW ability of calves to grow from birth to weaning (expressed in lbs.)
YW Growth from birth to yearling (expressed in lbs.)
Milk Indicates milking ability of bull's daughters, expressed in lbs. of calf weaned.

CANADIAN ANGUS EPD AVERAGES 2026										
RED EPD's	CE	2.3	BW	1.3	WW	44	YW	75	MILK	25
BLACK EPD's	CE	3.3	BW	2.0	WW	56	YW	99	MILK	23

CALVING EASE LEGEND

"Calving Ease is related to factors including birth weight of the bull, gestation, nutrition, dam's genetics and her management and environment. The Calving Ease score is our best estimate considering Actual BW, EPDs, structure of the bull and genetics."

- **** Likely to have a high level of calving ease.
- *** Should be minimal problems for moderate size heifers.
- ** Recommended for second calvers or smaller framed cows 1100 -1300 lbs.
- * Recommended for mature cows 1400 lbs. plus.

ELITE DAM The Canadian Angus Association's ELITE DAM program is an effort to identify superior cows in the Angus breed based on early puberty, breeding, regularity of calving and above average performance of offspring.

A deep ribbed correct individual displaying plenty of volume, from our favorite Trooper daughter with an outcross pedigree, she is broody with a lovely udder. From a modest 68 lb. birth weight to explosive growth, he indexed 107 at weaning and 114 yearling, truly outstanding for a first time mom. EPD's favorable on all accounts to match his phenotype.

MILK	24

BW: 74 lbs | 205 ADJ: 611 lbs | 365 ADJ: 874 lbs

With a moderate stature she is thick, true in her lines and full of shapely goodness. Dam is hard working, a 1/2 sister to our beloved Blockbuster, his dam's last natural calf. We retained a full sister for a replacement and 41N will be just as lovely.

SALE TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or cheques payable in Canadian funds upon the conclusion of the sale. The right of property shall not pass until after settlement is made, no animal will be released from the premises until settlement is made. Each animal becomes the risk of the purchaser as soon as sold. Each animal will be sold to the highest bidder. In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final.

CERTIFICATE OF REGISTRATION: A certificate of registration will be transferred when payment is made in full.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed material.

BREEDERS GUARENTEE: All animals are sold as guaranteed breeders as outlined by the CAA bylaws. No guarantee is given that a bulls' semen will freeze. All bulls will have passed a semen test prior to the sale. A bull may be replaced with one of equal value, guarantee does not apply to bulls injured, sick or uncared for. Under no circumstances shall the seller be liable for more than the purchase price of the bull.

INSURANCE: Insurance will available sale day.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the buyers, neither the sale manager, auctioneer or owners assume responsibility in this matter and liability, legal or otherwise in the event of accident or loss of property. All persons attend the sale at their own risk.
